

S8

Innovation and indulgence in elegant harmony

Benefits at a glance

- Sleek, user-friendly design with a simple swipe interface
- Sweet Foam function – perfect for those extra-special coffee times
- P.A.G.2 grinder for consistently excellent results
- Automatic One-Touch milk system cleaning for maximum hygiene

The stylish S8 will delight connoisseurs of both coffee and craftsmanship. With its sculptural design, high-quality materials and expert manufacturing quality, this coffee machine is clearly a calling card for excellent taste. The innovative technology means you can now enjoy any one of a wide variety of exquisitely indulgent speciality coffees at the touch of a button. The Sweet Foam function allows for a plethora of new beverage options by adding delicately sweetened milk foam. The 4.3" touch-screen display facilitates intuitive, effortless operation, and for the highest level of cleanliness, the automatic milk system cleaning can be selected at the touch of a button. When connected via Wi-Fi to your home network, you can also take advantage of the free, regularly updated JURA Operating Experience (J.O.E.®).
